Hello! I am writing this email from South Korea. I am looking for a Japanese high school student who can accept me as a new friend.

Now, let me introduce myself. My name is Kang Jae Yong. I am a boy of 18, a sophomore at Cheongseok High School. I live in Choeng-ju City. Its population is about six hundred thousands and the proportion of students in this city is the highest in Korea, so it is called 'the city of education.' Our city is also world famous as the cradle of metallic typography.

My hobbies are listening to music, reading, drawing, swimming and traveling. My family consists of four; my father, mother, sister and I. My father is 45 and he works for a factory as an Engineer and my mother is 43 and she is a housewife.

I am very interested in Japan and would like to know more about Japanese culture and your community you belong to. I would also like to improve my Japanese through exchanging email with Japanese friends.

My mail address is: X X X@ .com

I am looking forward to hearing from you.

Sincerely,

Jae Yong
